SPY GUY THE NOT-SO-SECRET AGENT ACTIVITY THE SECRET TO ANYTHING

Spy Guy didn't give up trying to learn how to sneak, even when it was difficult. Have you ever had to practice doing something in order to get better at it? How long did it take? Write about it in the space below. (It could be something you learned to do at school, like playing a sport or an instrument, or something you taught yourself, like juggling or drawing. Maybe it's something you're still practicing!)

Draw yourself practicing your skill.

SPY GUY THE NOT-SO-SECRET AGENT ACTIVITY STEALTHY TIPS

Spy Guy tried all sorts of things in his quest to be stealthy. If you could give Spy Guy some tips on sneaking, what would they be?

SPY GUY THE NOT-SO-SECRET AGENT ACTIVITY WHO'S YOUR SIDEKICK?

Spy Guy had a little spider (spy-der?) friend with him throughout the story. If you could choose any animal for a sidekick, which one would you pick, and why?

Draw and name your sidekick.
